Support for those grieving the death of a child

To Whom It May Concern,

The Sadie Rose Foundation, which offers support for child, infant or pregnancy loss, will host our fourth annual 5K race and walk on April 26, 2015. We are seeking sponsors as well as donated prizes for the event. A monetary or prize donation of \$100 or more ensures your name or business on the back of the race t-shirt. We also list the sponsors on our website and in our newsletter as well as recognize them at our event. All donations are tax deductible. Our tax ID number is 26-1662289.

If you are interested in sponsorship, you may make your donation on our website by clicking on the “Donate” button on the left sidebar or you may mail a check payable to The Sadie Rose Foundation. Please indicate online or in the check memo, the name of the business or person as you wish it to be listed on the t-shirt and website. We also ask that you provide us with a business address, phone number, and contact person in case we have questions.

Part of what sets our race apart are our exceptional prizes and post-race refreshments so generously provided by businesses and individuals. We award male and female overall prizes as well as first, second, and third place prizes for each age group for a total of 26 or more prizes. To donate prizes, gift certificates, or refreshments, please contact our office and we will arrange to pick them up, or you can mail the gift certificates to our P.O. box.

In addition to raising funds for our organization, this event provides another way to show our support for each other and to remember our children. More than 125 participants last year walked or ran the 3.1-mile course, many to honor the memory of a child. Each year, this event raises our profile in the community and helps us make connections with those who most need the support we offer.

“Because the path of grief after losing a child should never be walk alone.”

With appreciation,

Lee and Regina Harlow, co-founders of The Sadie Rose Foundation

Lauren Jefferson, race director
